

These children's clubs meet from 6 to 8:15 PM on most Wednesdays during the school year. It is a fun time of becoming Christian workers that need not to be ashamed of Christ. Each age group mentioned below has three basic parts to their evening.

Handbook Time - This is a time where children memorize verses from the Bible and work to learn what they mean. They work through handbooks designed for their age or grade level.

Council Time - This is the large group time in their club where they sing and have a devotional time which is often taught by special guests.

Game Time - Fun, Fun, Fun is had by all through organized activities usually held in our gymnasium.

Nursery

Child-care is provided for most worship services and activities at Calvary.

Our nurseries are staffed and prepared for newborns through 2 years old. These are well baby nurseries so please help us by keeping your children with you if they are recovering from an illness. We do offer a quiet room in 107 next to the auditorium for this purpose and for those times when there is no child-care provided.

We believe each child who joins with us in children's opportunities should be safe and should hear the truth of God's Word in a way they can understand. In order to do this we provide regular teacher training opportunities and each person involved with children has been screened and trained in child abuse prevention.

Sunday School

Sunday School is an opportunity for children to learn God's Word and share in that learning with their friends.

Our Sunday School depends upon the efforts of our dedicated teachers who work to understand their students and help them grow up as God desires. Classes are broken down by year starting with 2 year olds until they reach kindergarten and then by grade. The children are promoted each fall.

We encourage parents to join with these teachers to help train your children. One way to join with them is to take advantage of the Adult Bible Fellowships which provide relevant Bible teaching and personal support to parents.

Special Opportunities

Sundays - Children's Church

2 through 5 year olds

This weekly opportunity occurs during the 10:45 AM Sunday service. The children worship, do crafts, have a teaching time that complements their Sunday School lesson, and do games together.

Wednesdays - The following age appropriate opportunities are designed to help children learn to serve, worship, and apply scriptural truths to their lives.

Awana Clubs - 3 year olds - 8th grade

*Calvary's Kids - 3rd - 6th grade kids' choir
"Music with a Message...Fun with a Purpose"*

Backyard Bible Clubs

Children love and learn from the adventure of our summer program that includes games, the teaching of Bible truths, and a missions story. The week concludes with a free outdoor party at Calvary, providing fun for the whole family.

Summer Sports Outreach Camps

During the summer of 2009, elementary-aged children may want to improve their athletic skills by participating in a week-long sports day camp. Competent staff will provide physical skill training as well as spiritual instruction for each child. Be sure to contact the church in May for the exact dates and times of these sports camps.
